To search Franklin, the Libraries Catalog...

- Begin with the search box. You can type your search directly into the text box. Optionally, you can use the dropdown box to search in "Title," "Author," etc.
- Or begin with the limits on the left. For example, under Format, click "Video" to browse only videos.
- Or begin by clicking the Advanced Search tab. You can combine multiple search requirements or choose a date range.

Looking for articles?
- If you know which article you want, use PennSText Article Finder
- For a general search try: EBSCO MegaFILE | Google Scholar | Web of Science

Both of these services search multiple library catalogs simultaneously.

**BorrowDirect** searches the catalogs of Brown, Columbia, Cornell, Dartmouth, Harvard, MIT, Princeton, Yale, & the Center for Research Libraries. The loan term is 6 weeks with one 6-week renewal.

**E-ZBorrow** searches over 60 academic libraries in Pennsylvania and nearby states. The loan term is 6 weeks, with one 6-week renewal. Both Borrow Direct and E-ZBorrow books are checked out in circulation and appear on your library account.

**Interlibrary Loan**
Fast service for book and non-book material
Delivery time: Typically, within 1 week.
Use for books not available in either E-ZBorrow or BorrowDirect, and for all non-book materials (audio recordings, video recordings, or microtext).

**Last Resort**
Recall the item from the current borrower
Delivery time: Typically a minimum of 10 days (the current borrower has 10 days from the recall date to return the item).
If the item you need is unavailable through any of the services above, or if you need to have it in your possession for an extended period of time, you can request that it be recalled from the current borrower. This should be considered as a last resort. Please be aware that the item may be recalled from you as soon as it has been charged to your account so the extended loan time cannot be guaranteed.
